

You are travelling by train and are then taking the tramway to the Seminar Centre and Guesthouse of the SRH? This is the way to go.

Arriving at Heidelberg main railway station (Hauptbahnhof), you leave the station and take the tramway line "**OEG Linie 5**" or "**5R**" direction **EDINGEN / MANNHEIM**. At tramway stop "**OCHSENKOPF**", you get off. (About 3 minutes ride, 5 minutes of walking)

You move straight ahead, passing the small "Bullock's head fountain" (Ochsenkopfbrunnen).

You keep walking straight on, taking the underpass. After about 400 m (0.25 miles), turn into the next street right, the **BONHOEFFERSTRASSE**.

Follow the signage „**Seminarzentrum** “ (Seminar Centre). Take the second next small street right after about 100 m (110 yards) following the signage. Now you almost made it.

The Seminar centre, on your left ahead, is the only one-storeyed building around. It has columns and is painted in red and light brown.

We wish you a pleasant journey.
